

Non-Compliance with Chemotherapy in the Oncology Patient with a Good Prognosis. Vol.1.: PhD Dissertation (Volume 1)

This is Volume 1 of 2 of the PhD Thesis of Dr. Ruth Benjamin which goes deeply into the question of why the cancer patient who has a good chance of survival and even cure will choose to opt out of treatment often with fatal results. This first volume goes into the literature of medical non-compliance in general and the efforts that have been made to combat it.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
