

1996 Year Book of Urology

Compiled by a team of urological specialists from a search of over 950 journals, each article is condensed into a structured concise summary and, with each abstract, the editors provide a commentary noting the practical and clinical applications of the summarized material.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
