

Piero Gilardi

Piero Gilardi (born 1942) looms large in the annals of the European postwar avant-garde. A pioneer of Arte Povera and a promoter of Richard Long and Jan Dibbets, who also introduced American artists such as Bruce Nauman or Eva Hesse to a European audience, Gilardi is also a political activist. This retrospective monograph surveys his many activities.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
