

Vasily Klyukin: Designing Legends

The visionary projects by architect Vasily Klyukin. As skyscrapers emerge in large numbers, only the most beautiful of them become symbols of the cities that host them. This book presents Vasily Klyukin's projects: towers and residential buildings that have not found their home yet but will be built in the future and become architectural symbols of our age.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
