

## Miracle Child

This is a story of miracles, both big and small, and the story of one little boy born sixteen weeks early, weighing only one-and-a half pounds. Nathaniel Wilcox needed a miracle. He wasn't expected to make it through the night. This is Nathaniel's story of his five-month journey to survive, and how he touched the hearts of everyone who cared for him. This is the story of how one family managed to overcome tragedy and despair, to find a renewed faith in each other and in God. A miracle child? Indeed.
