

On the Vistula Facing East

An illustrated memoir of war, peace and art, which recalls how the author narrowly escaped Danzig as a child, and went on to be educated in England where he discovered his true vocation as a sculptor.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
