

Material Matters: The Conversation of Modern Sculpture

This publication focuses on a number of works that have recently received conservation treatment at the Tate Gallery in London. They were selected for their technical, as well as their art historical importance, and both these aspects are discussed.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
