

Practical Organotherapy: The Internal Secretions In General Practice

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the worlds literature in affordable, high quality, modern editions that are true to the original work.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
