

Matias Costa: Zonians

In 1999, the inhabitants of the Panama Canal Zone, known as the Zonians, were stripped of their privileges when their land ceased to be a North American territory. Today, some are returning home. These images, taken between 2011 and 2014 in the Panama Canal and Orlando, follow the last moments of their existence as a community.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
