

Hubert Kiecol: Separee Public

German artist Hubert Kiecol (born 1950) extracts and reduces architectural elements from their routine contexts, finding sympathies between architecture and minimalist sculpture, and between art and the everyday. The first publication on his work in nearly ten years, this volume is designed by Kiecol himself (typography being among his many talents).

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
