

## The Tidy Kitchen: A simple system for keeping your kitchen clean, organized and clutter-free (Declutter, Organize and Simplify)

Praise for this book... A simple system that is saving me time and money. Very practical and easy to read. Often, when I look at messes, I don't know where to start. I found this book to be very helpful in giving me a game plan as to how I can keep my kitchen clean and organized. I don't know of another resource quite like it.

Daria has a knack for taking the complex & overwhelming and making it simple. As I write this, I'm enjoying the benefits of my clean and organized kitchen and Daria helped me make that happen. In this edition of the Kindle Quickread series, Daria Foster shows us her simple system for keeping a kitchen clean, organized and clutter-free. Here is a preview of what you'll learn... How can you make your kitchen the heart of your home again? What is the quickest and most effective approach to removing dirt and grease from surfaces? How can you keep a busy kitchen from becoming disorganized and cluttered? What should you do if you initially feel overwhelmed by the mess in your kitchen? What are the ideal times to clean a kitchen? What are the best solutions to use to keep a kitchen clean and fresh-smelling? Why is it important to keep a kitchen clean, not only for appearance sake, but also for your health and the health of your family? And much, much more! What are Kindle Quickreads? Kindle Quickreads are a series of short books that are meant to be read in one sitting. Each Quickread tackles just one particular subject. This series of books aims to give readers the encouragement, assistance and ideas they need to handle specific problems or areas of personal growth. Kindle Quickreads are exclusive to Amazon's Kindle platform. They are not available for purchase or borrow in any other format. They may be downloaded on Kindle devices or read utilizing the Kindle app on your phone, computer or tablet. Various talented authors have contributed to the Kindle Quickread series and our

team continues to grow. Their talents and insights have helped thousands of people and we look forward to offering many additional books in this series over the coming months.
