

Shelter Dogs

Photographer Traer Scotts endearing portraits of dogs living in American shelters are irresistible and heart-rending - and make a passionate appeal to dog lovers everywhere. The portraits reveal the strikingly intense emotion, dignity and, sometimes, humour and whimsy that Scott saw in each face despite the dogs circumstances. By documenting the undeniable expressions of emotion in the dogs encountered in her volunteer work, Scott raises awareness of animal rescue causes, and especially the need for more adoptive homes for abandoned dogs. This book of true portraits of fifty beautiful shelter dogs is a poignant and loving tribute to all dogs.
