

Crepain Binst: Architecture

An absolute must for everyone into architecture: this book contains a selection of the thirty-four most stunning projects of Jo Crepain and Luc Binst, from private houses to industrial offices. This book gives an idea of the basic philosophy of both architects, their current projects and their future plans. Crepain Binst is richly illustrated and with tons of information on all projects, whether they are finished, running or planned. Text in English and Dutch.
