

The Bird of Fantasia. Coloring Book (Detailed Design And Mandala Coloring Books)

KINDLE buyers - Link to printable PDF provided. While there are plenty of animal coloring books for adults, only a few focus on birds. The Bird of Fantasia coloring book features 34 beautiful bird designs and mandalas, plus 5 inspirational quotes, and 1 bonus page from The Flower Spirit, another adult coloring book in this series. Coloring books for grown-ups make cute and inexpensive gifts. Adult coloring books are perfect for parents who want to color with kids but would love to have a choice of more detailed and sophisticated choice of coloring pages for themselves. Enjoy and explore your creativity with this coloring book for adults. Bird coloring book will fit in your backpack while travelling. Although, it is not really physically relaxing activity, the visual contact with vivid colors and the result bring positive emotions. Print and color as many pages as you want. For this coloring book for grown-ups you can use colored pencils or fine tip markers. After youve finished coloring, you can use the designs in your arts & craft activity (see more on my blog).
