

## The Early Flute: A Practical Guide (Cambridge Handbooks to the Historical Performance of Music)

This handbook for flautists addresses all who wish to consider the issues raised when performing music of the past, and experiment with them on old or new instruments. Its aim is to provide an authoritative and practical guide with evidence drawn from a variety of primary sources directly and indirectly associated with the flute. The author provides sound advice on instruments and their care, historical techniques, stylistic issues and historically informed interpretation, with examples drawn from a wide range of case studies, including Bach, Handel, Mozart and Brahms.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
