

## Wildlife Photographer of the Year: Portfolio 23

The latest outstanding compilation of nature photography showcasing the winners of the annual Wildlife Photographer of the Year competition. Presenting the year's very best wildlife images, this powerful collection of pictures represents the work of many international photographers, both professionals and amateurs. It comprises all the winning and commended photographs from the Veolia Environnement Wildlife Photographer of the Year 2013 competition, the most prestigious event of its kind in the world. The photographs are chosen by an international jury for their artistic merit and originality from categories that together represent a diversity of natural subjects. The range of styles is also diverse, as is the genre of photography, whether action, macro, underwater, landscape, or environmental reportage. Together this outstanding collection is a reminder of the splendor, drama, and variety of life on Earth. Each stunning photograph is accompanied by an extended caption and there is an introduction by one of the world's most respected nature photographers.
