

## Omar Hakim -- Let It Flow (Book & Cassette Tape) (DCI Video Transcription Series)

This challenging play-along transcription book begins with Omar demonstrating several warm-up exercises for getting loose around the kit. In two exciting solo segments, his solo phrases are broken down and isolated into themes. Also included are solo phrases in a jazz style. A great book for groove, fill, and soloing.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
