

## Arts and Crafts Gardens

The Arts and Crafts movement brought a distinctive new style to English gardens from the last quarter of the 19th century until the outbreak of the First World War. Its influence travelled to Europe and America, where it coincided with Regionalism.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
