

Blue Suede News #102

This issue of Blue Suede News has Big Sandy on the cover, celebrating his 25 years playing with the Fly-Rite Boys - which corresponds to our 25 years as a nationally distributed magazine! Big Sandy talks about his new CD, and other features include an extensive one on pioneering French Rocker Johnny Hallyday, A pictorial with commentary on the Ponderosa Stomp, and article on Honky Tonk star Kay Adams (who was part of Buck Owens & The Buckaroos show) as well as another installment of our ongoing feature on Great Women Singers of the 50 and 60s - this time featuring Annisteen Allen, Terri Dean, Jeri Lynne Fraser, Nan Castle and Bonnie Guitar. There are also pictorials on Germanys Winter Dance Party, Seattles Rockabilly Ball, and our regular features Tidbit jukebox and Killer Bees (about great B-sides). And as always our extensive reviews section, including 4 more pages of them than in the print editions!

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
