

Outline of Medical Imaging

Written principally for postgraduates preparing for the Diploma in Radiology, this book has been designed for rapid reference. Clear line drawings or outlines of actual radiographs depict essential radiological signs.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
