

Interpreting the Musical Past: Early Music in Nineteenth-Century France

This study of the French early music revival gives us a vivid sense of how music's cultural meanings were contested in the nineteenth century. It surveys the main patterns of revivalist activity while also providing in-depth studies of repertoires stretching from Adam de la Halle to Rameau.

LAWBOOK International Lawbook is an initiative of professionals with passion for a better society. It is dedicated to exposing, explaining and expounding law for the purpose of attaining Social Justice in the society. It is a platform where people meet, discuss, analyze and proffer solutions to common issues of mankind.
